STEEL
FURNITURE
MANUFACTURERS.

Our New Factory
at
VANDEVENTER AND
LACLEDE AVE'S.
343 X 212 FEET
is the largest in the World.

A WELL REGULATED OFFICE *is not complete, in this day of push and improvement, without*

Steel Furnishings;

That is, Steel Roller Book Shelves, Steel Document Filing Cases, Steel Desks and Tables, and other improved office devices.

We make any and all kinds of work for an Office, Bank or Court House,— Safe Deposit Vaults and Boxes— Steel Tables, Counters and Desks, as well as Roller Book Shelves.

Should you desire any pointers on this class of fittings, we can give them, and will do so cheerfully. Let us have the faintest idea as to your needs and we will give you our ideas as to how they should be supplied.

You make the inquiry
and we'll do the rest.

SIDE VIEW OF
DOCUMENT FILE.

THIS REPRESENTS our Improved Document File, than which there is none better.

Holds Papers Securely.

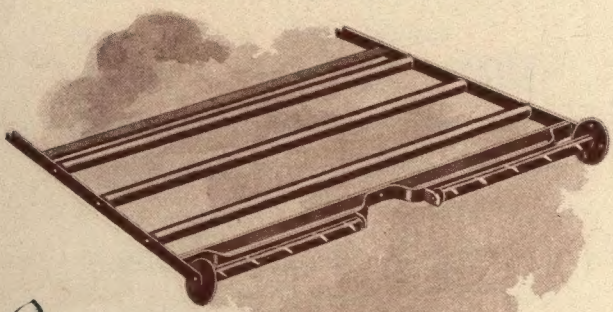
They cannot fall out or get misplaced. The locking device is simple and easily operated.

WE SPARE NO PAINS *in getting up our work as attractive as can be done by the best artists.*

This cut shows the handsome front of our Document Files.

FRONT VIEW OF DOCUMENT FILE.

OUR IMPROVED ROLLER BOOK SHELF *is a world beater. Easily adjusted, quick to work; neat, complete, practical.*



Operates easily, does not bind or catch. Our shelves work true as dies. Make no mistake — buy the Barnard Steel Roller Book Shelf.

Here we have a cabinet of Roller Book Shelves which can be made any size, either with or without Steel Roller Curtain and Locking Device. The Roller Shelves can be adjusted to fit any sized book.

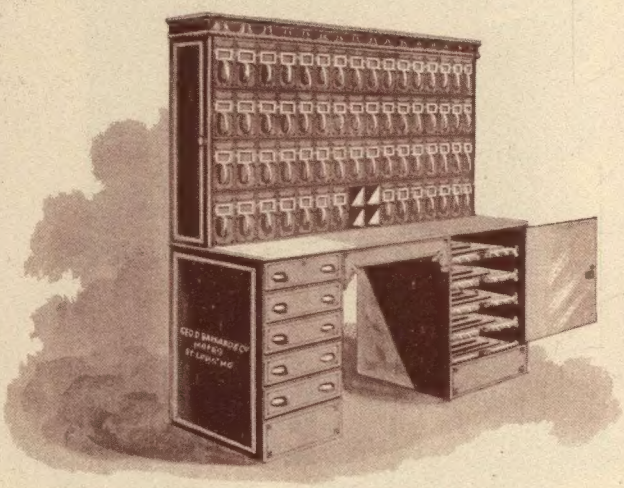
Convenient,

Compact,

Substantial.

Built for Business.

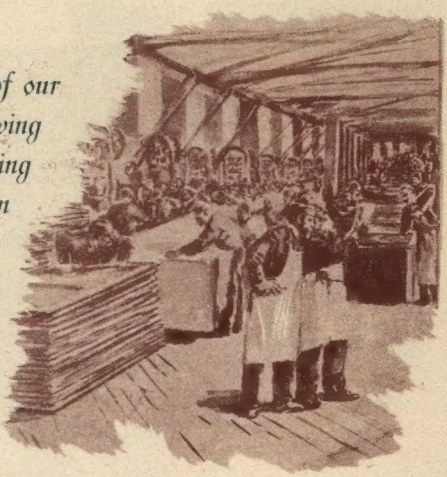
SHOULD YOU DESIRE *a Combination, here is one that contains sixty Document Files, five drawers on left, with Patent Locking Device, and five Steel Roller Book Shelves on right, with door and combination lock.*



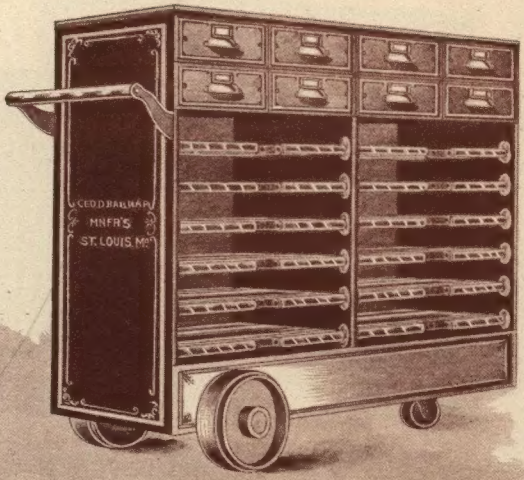
The drawers can be made with partitions to suit the customer.

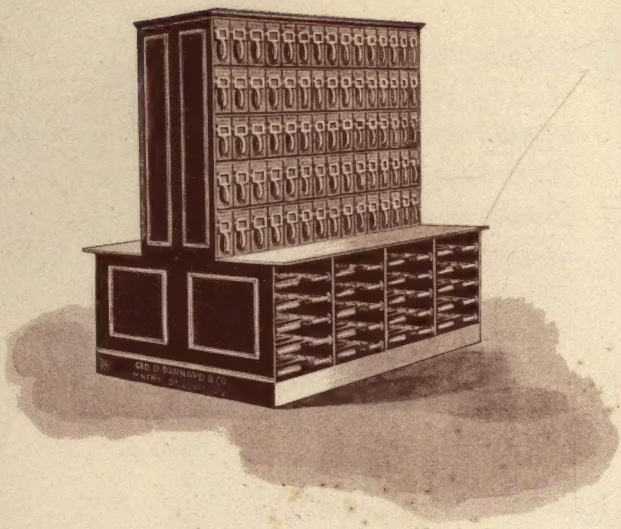
Will Last a Century.

INTERIOR VIEW of our Factory, showing workmen making Steel Election Booths to be used when the Australian Voting System is in use.



FOR THE CONVENIENCE of those who have not sufficient room in their vaults, this handsome rubber tired Omnibus will be found just the thing. It can be rolled to and from the office as required to utilize limited space.





ANOTHER DESIGN for Cabinet of Document Files and Steel Roller Book Shelves. We can make

Anything You Want.

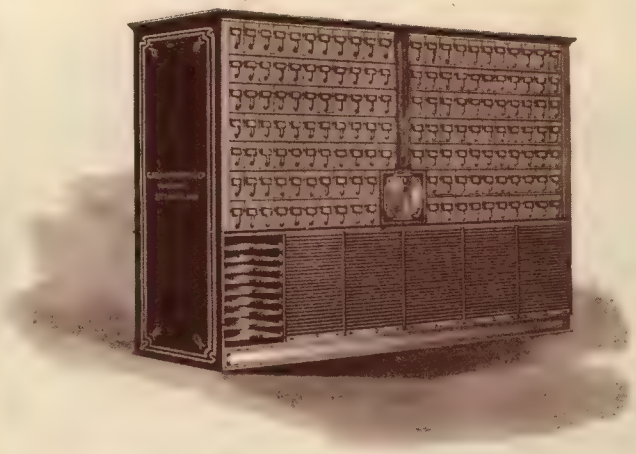
Fitting the Rollers to the Shelves.

When in Saint Louis visit our Factory, it is a sight worth seeing.

Document Files in use.

Easily handled and papers always secure.

VARIETY OF DESIGNS for the Combination Cabinets have no end. Here is one with one hundred and fifty Document Files, Steel Burglar Proof Cash Boxes and fifty-four Steel Roller Book Shelves.



Steel Roller Self-Locking Curtains.

FINISH does not make the goods, yet it has much to do with their Attractiveness.

We employ only the best artists for this work.

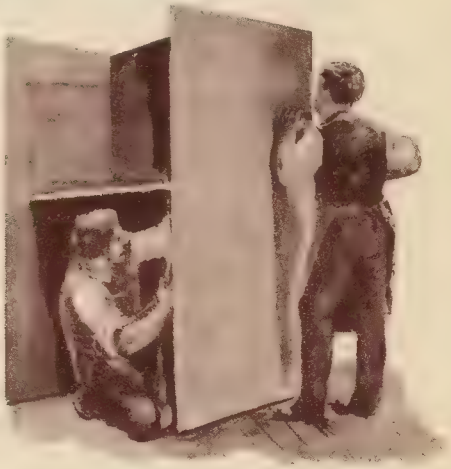
A corner in the Varnish and Japan Room.

Preparing colors for application to Steel Work.

Mixed by Experts from the best materials.

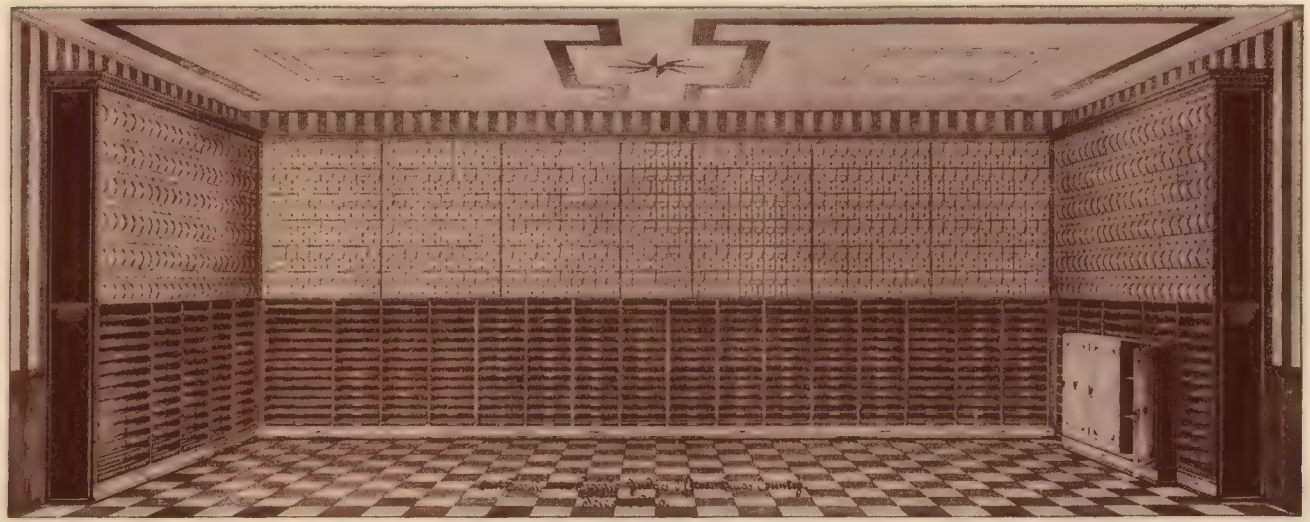
INTERIOR VIEW of an Australian Election Steel Voting Booth in course of construction.

Light — Portable — Strong.



WE have made upwards of forty thousand Voting Booths, and they are in use in nearly every state.

This Steel Counter, with drawers and Roller Book Shelves, would be useful in any Court House, Bank or Office. Can be made any size or design.



Interior of Probate Judge's Office, Lucas County, Toledo, Ohio. Fitted with Barnard's Steel Roller Book Shelves, Document Files and Safes.

A Model File Room.

Here we have a view of the County Clerk's File Room, at Toledo, O.

We are prepared to fit up any office equally as fine.

Our work speaks for itself. We can give any number of references, and will do so when desired.

REMEMBER THIS— Whenever you see our trade mark, it is a guarantee of good work and honest value.
